## **CHAIRMAN'S MESSAGE**

### **MR. K. MADASAMY PANDIAN**

### **CORRESPONDENT & CHAIRMAN**

---

Satheesh Balaji is in the pursuit of excellence to pave the way for the Balajians to turn them into as vivacious and victorious glittering stars of the globe. The management always offers the best to the students in terms of education, infrastructure, technology, sports and games equipments in order to make the Balajians 'India's best future citizens' in their words and deeds. I assure you, the management is always ready to aid the students not only during their schooling in Satheesh Balaji, but also to pursue their higher education.

**"Wishing you all the best as you move on the stairs of success in all your future endeavours!"**

---

## PRINCIPAL'S MESSAGE

### MRS. HELEN XAVIER

---

It is a pleasure to introduce our unique school and the special educational experience we provide.

Our dedicated staff members focus on developing every student to ensure that each one works towards achieving their potential: allowing them the opportunity to discover and grow their talents, whilst receiving individual attention. We realise academic ability, nurture talent and build character in an environment of positive expectation.

We are proud of our excellent academic record, outstanding pastoral care and wide range of co-curricular activities. I trust that this prospectus will give you some insight into the Satheesh Balaji community, but recommend that you visit the School on one of our Open Days or School Tours. I hope to welcome you soon and to have the opportunity to discuss your child's education in person.

Helen Xavier  
Principal

**"Our central purpose is the preparation of students for the future, and provide an exemplary educational experience. Students who leave Satheesh Balaji have a thirst for learning, are aspirational and are fully prepared for the next stage of their educational journey."**

## BLOOMING GARDEN SBMHSS (KG)

We nurture the best in every individual; recognise the unique talents, needs and ambition, render security, warmth and caring environment, inculcate attitude and values of life, create opportunity for mental and physical activities for all our students. We provide care for each student through our highly organised, talented and trained Kindergarten teachers.

**‘Our students learn the importance of forming positive relationships...’**

We aim to develop fine young citizens who are creative, intuitive and sensitive to those around them. Our students need good hearts as well as sharp minds. Our students learn the importance of forming positive relationships and developing a capacity for optimism and resilience.

The students are given a moral platform from which they can make appropriate choices. We actively seek to teach the students about respect, empathy and taking responsibility, by engaging them with ethical considerations, issues of social injustice and other relevant problems.

## GRADUATION CEREMONY

The young ones feel proud that they have completed the kindergarten level of studies and they are ready to go to the next higher level of learning.

Children pose for photograph with their friends and take group photos to carry them home and show around to their family and friends. Every Balajian portrays a sense of belonging to the school.

# MIDDLE AND SECONDARY SCHOOL

---

---

## MIDDLE AND SECONDARY SCHOOL

---

AT SBMHSS Middle and Secondary school academic program, we seek to create a consistent approach to each subject area from Kindergarten to Year Six, so that the curriculum is both thorough and enriching. Close attention is given to curriculum developments to ensure that our students make a smooth transition to the next phase of their education.

Our focus lies in the development of the whole student, who is given ample opportunities to explore and pursue their own interests during his time here. In conjunction with the core subjects, the study of Science and Technology, languages, Sports and extra curricular activities allows students to develop passions across a wide field. Teachers attempt to model and encourage their pupils to value and nurture attributes such as tolerance, respect and empathy, and look to weave these important pillars into their programmes.

---

## IMAX CURRICULUM

---

ClassKlap is an Ed-Tech organisation that provides personalised learning solutions. ClassKlap complements the classroom learning by providing scientifically designed personalised learning at home. ClassKlap is the first Indian company to enable integrated teaching through online live classes.

The vision of ClassKlap is to develop for each child the capabilities of 'I can change my world.' We make it happen through evidence-based high impact classroom practices and professional development for teachers.

In Satheesh Balaji group of schools, from Class I to Class V, we are thrilled to include IMAX program into our curriculum for students.

## HIGHER SECONDARY SCHOOL

---

---

## HIGHER SECONDARY SCHOOL

---

SBMHSS is a progressive high school that emphasise intellectual curiosity, academic excellence, ethics, and community involvement.

Our School fosters skills and offers coursework that prepares our students well for Higher Education while at the same time providing space and support for them to engage in community service, which is at the core of our mission. The high school features a robust arts program, extensive co-curricular activities, and athletics. Faculty and staff at SBMHSS come to know students well and offer broad and deep support for student growth, discipline, and development. Our students are bright, sensitive and able individuals who display a passion for learning, compassion and empathy for others. They are educated with a bigger picture in mind. We focus on nurturing students potential and on developing thoughtful young individuals. By catering for students in different ways we can meet their learning needs in a supportive academic setting as they develop their potential.

**SUN**

**SUN (RED)  
THE SYMBOL OF LIGHT**

Sun is a symbol of "the Supreme power, source of life and guidance." the sun is notably mentioned as the visible form of god that one can see every day. In Hinduism, Surya is the chief solar deity, son of Dyaus Pitar.

**MOON**

**MOON (BLUE)  
THE SYMBOL OF  
SERENITY**

Moon is the queen of the night. The moon affirms life. It looks as if it is constantly changing, and can remind us of the inconsistency of life. It is also symbolizes the continuous circular nature of time and even karma. Karma moves in a big circle what comes around and goes around. The moon reminds us of the never ending process of recycling and regeneration.

**EARTH**

**EARTH (GREEN)  
THE SYMBOL OF  
PROSPERITY**

Earth is the symbol of life. It is an epitome of patience, contentment and simplicity. Like a mother, who absorbs all pain and showers happiness.

**STAR**

**STAR (YELLOW)  
THE SYMBOL OF  
VIVACITY**

Star denotes a divine quality conferred from above, and thus making people shine like bright stars on the earth. The star with wavy points is a representative of the emblem of god's goodness.

## CAREER GUIDANCE

Career Guidance (CG) is about equipping students with the necessary knowledge, skills and values to make a successful transition from school to further education or work. It helps to career pathways and lifelong learning throughout their lives. Awareness, exploration and planning are necessary for all levels of students there are different emphases at the different levels to meet varying developmental needs.

1. **Skills** - Nurture student's self-awareness, self-directedness and life skills for continuous learning and training.
2. **Knowledge** - Enable students to explore valuable education and career options through the provision of accurate and comprehensive information

## LIBRARY

---

Underpinning all we do is the promotion of reading and the love of books; we aim to build a culture where reading is the norm, highly valued and enjoyed by students, teachers and parents alike.

At the same time we understand that it is essential for our students to develop strong skills in written, oral and visual literacy. This will allow students to share their ideas effectively as well as to gain exposure to the ideas of others and thereby expand their own body of information. Teachers guide the learning process to ensure that students can write effectively, read and comprehend, speak, and listen to a variety of texts. Our students are also encouraged to spell correctly and to write legibly.

**‘Being able to read well is fundamental to learning well...’**

---

## INFRASTRUCTURE AND AMBIENCE

---

- Spacious and hygienic classroom.
- Interactive Smart board and vast play area.
